****This is so easy to make and is easily the best chocolate sauce I have ever tasted. It came from one of my old housemates (a guy! would you believe), and it saw us through the darkest hours (also known as final year of Masters in Architecture).**** 1. Put all the above ingredients into a mixing bowl and rest the bowl on a sauce pan of water. Place the pan on gentle heat. 2. Leave the mixture to melt. Only stir when all ingredients have melted. 3. SERVE! **Best served on top of some proper vanilla ice cream.**
