

## ?? coffee biscuit

NIBBLEDISH CONTRIBUTOR

### Ingredients

\* 250g butter \* 1/2 cup icing sugar \* 1 1/2 flour \* 1/2 corn flour \* 1tbsp instant coffee \*  
2tsp hot water

### Instructions

1\* beat butter and icing sugar till fluffy. 2\* add sifted flour and corn flour. 3\* add mixed instant coffee and hot water. 4\* mix well. place onto hot plate then oven 180 degree for 12-15 min. (can either scope into small balls by spoons or use a ??? like me to get flowery shape) p.s. something can be placed in onto the balls/flowerys before putting it into oven to look better (chocolate chip, almond, coffee bean....etc) i got none this afternoon... p.s. let it cool for a while to get ? after cooking time is up. p.s. it definitely taste better than it looks. !! =)
