NIBBLEDISH CONTRIBUTOR

## Ingredients

- Crusty bread / sliced - Mozzarella cheese - Chilli / finly chopped - Extra virgin olive oil

## Instructions

\*\*With such a simple dish, the key is to use the best and freshest ingredients, so you can really taste the flavours.\*\* 1. Toast bread till light brown on both sides. 2. Add mozzarella cheese, and garnish with chilli. 3. Drizzle with olive oil and SERVE! \*\*TIP\*\* Cheese is best served at room temperature, so the flavour is not masked by the 'chill' when taken straight from the fridge. You can also grill the mozzarella before serving!
