

Fast break eggs

NIBBLEDISH CONTRIBUTOR

Ingredients

- 3 eggs - 2 slices of roast beef - White or yellow cheese shreds - 2 slices of toast -
Honey mustard

Instructions

I rarely eat breakfast even though it's the most important meal of the day, but today I felt like it. So I did something quick. Eat like pizza. 1. Toast the slices of bread with honey mustard spread on the top. 2. While toasting scramble the eggs with the roast beef and cheese in med heat. 3. Both should be done at the same time, take the bread and top it with the scrambled eggs. Serves 2 or one hungry morning person in 5 minutes. Enjoy.
