

## Super scramble

NIBBLEDISH CONTRIBUTOR

### Ingredients

- 5 eggs - 4 slices of onion - Cilantro - Turkey bacon - Yellow cheese - Salt and pepper

### Instructions

So I went to my doctor the other day and he said I need more protein in my body so I made this dish... 1. Batter the eggs. 2. Fully cook everything except for the eggs then pour in the eggs and scramble in low heat. 3. Should be done under 3 minutes. Sprinkle cheese, salt, and pepper on top. Serves 2. Good stuff for a sandwich I must say. Enjoy.
