

# Grilled Salmon and Shrimp with vegetables

NIBBLEDISH CONTRIBUTOR

## Ingredients

- pave de salmon - shelled shrimp - courgette - red peppers - red onions For the accompanying sauce - yogurt - lemon - parsely - seasonings

## Instructions

Make the lemon-parsley yogurt ahead by combining chopped parsley with the yogurt, adding fresh lemon juice and salt & pepper to taste. Grill vegetables until you get nice grill marks. About 10 minutes depending on your grill. Season the salmon and shrimp with pepper and salt, I also added some paprika/taco seasoning. Drizzle olive oil before adding to grill to prevent it from sticking. Let grill until just done, middle of salmon is still pink. Serve with yogurt dressing.
