

Lychee Sake Martini

NIBBLEDISH CONTRIBUTOR

Ingredients

* 2 oz. of Dassai Ginjyo Sake * 2 oz. of Lychee juice * 1 Fresh pitted Lychee

Instructions

Drop 1 fresh lychee into a martini glass and chill in a freezer. Mix equal parts of lychee juice & Dassai Ginjyo Sake together. Shake with ice and serve straight up. I got tired of seeing the usual stuff at the local bars around my area. So, I decided to tinker with some fresh fruit and liquor at home. This one is best on a hot summer afternoon.
