

Rice and tofu à la Annina

NIBBLEDISH CONTRIBUTOR

Ingredients

- 1 cup Basmati rice - 2 cups water - oil - pineapple - zucchetti - tomate - tofu - spices (curry, soja sauce, coconut-milk, pepper, paprica, thai spices)

Instructions

So.. I really love rice... easy to make and always good! This is one of my favourite recipes. 1. Add the water to the basmati rice and let it cook. Then stir it once and after this turn the hot plate off and let the pan on it (with lid) for 20 min. DON'T open it during this 20 min.!! 2. Put the oil to the frypan and if it's hot add the sliced pineapple, tomate, zucchetti and tofu. Also the spices of your choices. 3. Mix the whole thing. 4. If the rice is good serve it on a plate with the sauce and enjoy!
