

Liver with ginger

NIBBLEDISH CONTRIBUTOR

Ingredients

- marinate
 - sesame oil
 - soy sauce
 - rice wine
- liver
- green onion
- garlic
- ginger
- ground pepper

Instructions

- 1... marinate liver
- 2... cook ginger for a bit and add garlic, add liver
- 3... when almost done, add green onion and pepper

(I wanted to make it the way my mom used to make it... but it came out nothing like it. Her liver was much softer and crumbly... and more gingery)
