

Green Salad

NIBBLEDISH CONTRIBUTOR

Ingredients

- 100 grams of spinach
- 100 grams of peas
- 100 grams of green aspargue tips
- 15 grams of mint
- 1 zucchini
- 1 lime
- 5 ts olive oil

Instructions

- 1. Grate the lime (take care, only grate the green. The white tastes very bitter). Mix the lime grate with the oil.
- 2. Boil the aspargue and the peas for 2 minutes. Take them out and rinse with cold water.
- 3. Slice the zucchini in such a way you get ovals instead of round slices.
- 4. Remove the leaves from the mint twigs, wash the spinach and mix the two together.
- 5. Put the spinach with mint on plates. Cover this with the aspargues, peas and zucchini. Then devide the remains of the oil over the plates by means of a salad dressing.
