

Porkchop cubes

NIBBLEDISH CONTRIBUTOR

Ingredients

- Porkchops
- onions
- garlic
- ground black pepper
- salt
- rice cooking wine

Instructions

In celebration of me going pro and as a thanks to all my support I came out with three new recipes back to back. YAY! Anyway... here's something different :)

1. Cut some pork chops into cubes and mix it with all the listed ingredients.
2. Now have a pan ready with some oil on high heat.
3. Once heated thrown in some minced garlic.
4. Afterwards pan fry the pork chop cubes.
5. Then serve.

Enjoy.
