

# Asparagus and strawberry with feta and balsamico

NIBBLEDISH CONTRIBUTOR

## Ingredients

- asparagus;
- strawberries;
- feta cheese;
- aceto balsamico;
- olive oil;
- salt & pepper

## Instructions

Boil in salt water or steam the asparagus until they are tender (one for each plate).

Slice the strawberries (2 for each plate) without removing the leaf on top.

Crumble the feta cheese and prepare the aceto balsamico reduction boiling it until gets thick.

Place two strawberries in a plate opening like a fan in circle.

Top them with the crumbled feta cheese and surround it with pieces of asparagus.

Sprinkle salt, pepper and olive oil and finish the plate with the aceto balsamico reduction
