

Quickie 'guests on their way' Guacamole

NIBBLEDISH CONTRIBUTOR

Ingredients

1. 5 ripe avocados
2. 2 ripe tomatoes, chopped
3. 1/2 white onion, finely diced
4. 3 cloves garlic, finely diced
5. 1 lemon or lime, juiced
6. 1/2 jalapeno, finely diced
7. Generous handful of cilantro, chopped
8. Garlic salt

Variations:

1. 1 mango, pitted and cubed

Instructions

Guacamole is one of those basic dishes that everyone knows (or should know) how to make. It's also one of those dishes that changes a little every time you make it, so no recipe will ever quite cover how you make it each time - it all depends on your refrigerator's contents and your taste buds.

-
1. Cut your avocados in half, remove the seed and spoon out the avocado into a large bowl
 2. In the same bowl,
