## Instructions

This recipe mysteriously disappeared off Nibbledish. The following is the recipe, to the best of my recollection. Luckily, it's a simple one.

1. Top slices of ciabatta with prociutto and sliced stracchino. Grill on high till cheese is melty and brown.
2. While the sangers are grilling, whisk together the salad dressing ingredients till thick and well combined. Toss with rocket.
3. Once the sangers come out of the oven, top with dressed rocket and eat while still hot enough to burn your fingers!
