

Agave & Goji Granola

NIBBLEDISH CONTRIBUTOR

Ingredients

2 c. rolled oats
1/4 c. wheat germ
1/2 c. unsweetened shredded coconut
1/4 c. sesame seeds
1 c. almonds or peanuts
1/2 c. agave nectar
1/4 c. oil, not olive
1/2 c. dried cranberries
1/2 c. goji berries

Instructions

You can use any kind of nuts and berries that you like. Or add any kind of seeds. I use agave nectar because I am vegan but honey can be substituted if you do not abstain from animal products.

Preheat oven to 300 degrees.
Mix rolled oats, wheat germ, coconut, sesame seeds, and almonds together.
Pour in oil then agave nectar.
Bake for 30 minutes stirring every 10 minutes.
Remove from oven then mix in dried fruit.
