

Refreshing Summer Fruit Drink

NIBBLEDISH CONTRIBUTOR

Ingredients

1 can fruit cocktail
1 can lychees
1 box coconut or almond gelatin - prepared per package instructions, cut into 1" cubes
Frozen young coconut shreds, thawed, drained
Mocha Mix or Half N Half or Milk & simple syrup

Instructions

This cool dessert drink is great for parties!

Mix all the ingredients in a large bowl, including the juice from the canned fruits. Add as much of the milk as desired. Serve with ice cubes or keep cold in the refrigerator until ready to serve.
