

Tomato Bacon Pizza

NIBBLEDISH CONTRIBUTOR

Ingredients

- fresh pizza dough (*I used Trader Joe's herb dough this time*)
- 4 slabs of center cut bacon
- handful of grape tomatoes (*seeds removed to prevent a soggy pizza*)
- buffalo mozzarella slices
- shredded mozzarella cheese
- locatelli cheese, shredded

Base:

- Trader Joe's pizza sauce (or your favorite sauce on hand)

Instructions

I love mishapen pizzas, it reminds me of a more authentic/rustic pizza. I made this one oblong, and sliced into strips.

Oven at 500F

On an oiled pizza stone, flatten and shape the dough to your liking.

Spread on pizza sauce.

Follow with toppings in this order:

1. locatelli

-
2. shredded mozz
 3. bacon
 4. tomatoes
 5. buffalo mozz

Cook for 8-10 minutes. The salty bacon makes for such a wonderful *pop* in your mouth!!
