

## Steamed Glutinous Rice a.k.a Loh Mai Kai

NIBBLEDISH CONTRIBUTOR

### Ingredients

- glutinous rice
- chicken thigh or wing
- mushroom
- soy sauce
- dark soy sauce
- salt
- sesame oil
- white pepper
- chinese sausage (optional)

### Instructions

All you need to do is to chuck everything in rice cooker (I prefer using dish pot) & and cook the same way we cook our normal plain rice. Just need to reduce the water by 1/4.

As simple as ABC ya?! Worth trying & it is as nice as those sell outside..sticky & smells great!
