

Modified Carrot Cake

NIBBLEDISH CONTRIBUTOR

Ingredients

- 1/3 to 1/2 cup sugar *
- 1/3 cup corn oil *
- 2 eggs *
- 1 cup shredded carrot *
- 1/2 cup raisins *
- 1 cup self-raising flour **
- 3/4 tsp salt **

I measured with drinking cup

Instructions

STEAMED carrot cake WITHOUT cinnamon, baking powder, vanilla extract..& whatsoever ingredients u normally find in a carrot cake..this sounds a little funny, but suprisingly, it turned out well. Simple yet nice & healthy.

1st, mix all the ingredients marked with * until well-blended. Next, mix the ingredients marked with ** in a paper plate before adding slowly to the 1st mixture. Stir altogether & mix well. Pour into a cake pan & steam for about 35mins. Cut when cool.
