

Curry Fried Rice

NIBBLEDISH CONTRIBUTOR

Ingredients

- Left over rice
- left over boiled chicken meat
- 2 stick sausage (dice)
- a handfull of frozen vege (carrots,corns,peas)
- diced onions
- fish sauce
- curry powder
- oil

Instructions

This is my style of fried rice. You can put any kind of meat that you like. For me, i used anything that i have in the refrigerator.

Heat pan with oil and onions.Add chicken, sausage and frozen vege.

Stir a while till all cooked, add rice, fish sauce and curry powder.

Stir well till even. Ready to be serve with sprinkle fried shallot and eat with shrimp crackers.

PS : how much fish sauce and curry powder is depends on how many rice you have.
