Perfect Turbulence

NIBBLEDISH CONTRIBUTOR

Ingredients

1 part Blavod Vodka
1 part cider w/ mulling spices
splash of sweet vermouth
splash of dry vermouth

Instructions

To make this martini mix 1 part Blavod black vodka, 1 part apple cider, heavy on the mulling spices and a splash of both vermouths in a cocktail shaker with ice. Pour into chilled martini glass. If it's Halloween, garnish with a gummy worm.

If you do it right, it shouldn't be too sweet, and taste a bit like cola.
