

## Garlic & Basil Fettucine

NIBBLEDISH CONTRIBUTOR

## Ingredients

- 300-400g fresh mixed (normal and spinach) fettucine.
- 1/2 2/3 cup of single cream.
- 2 medium garlic gloves.
- Handful of fresh basil.

## Instructions

Nice and easy, mega tasty.

- 1. Peel and finely chop the garlic.
- 2. Add garlic to the cream.
- 3. Finely chop the basil.
- 4. Add basil to the cream and stir well.
- 5. Let the garlic and basil fuse into the cream whilst you prepare the rest of your meal.
- 6. 2-3 mins before you want to plate up and serve drain your pasta.
- 7. Give the cream one final stir and add to the pasta, stir well cover and let rest for 1 minute whilst you plate up.
- 8. Plate up the pasta and away you go.

Note; I always lightly salt the water for pasta, and add a little olive oil to stop the pasta sticking.
