

Powder Pillows

NIBBLEDISH CONTRIBUTOR

Ingredients

This is basically the Chex recipe for Muddy Buddies, I thought I'd give it another nickname. Serves 9.

- 4.5 cups of Chex cereal/similar generic brands
- 1/2 cup of chocolate chips
- 1/4 cup of peanut butter
- 1/8 cup of butter/margarine
- 1/2 teaspoon of vanilla extract
- 3/4 cup of powdered sugar

Instructions

1. Put cereal in a large bowl
2. In another bowl, set chocolate chips, peanut butter, and the butter/margarine in your choice of method to melt the ingredients (microwave or stove top)
3. Stir consistently if using the stove to prevent the mixture from burning. If using a microwave, use it on high for a minute, stir and then add 30 more seconds until it is smooth
4. Once melted, pour the chocolate peanut butter mixture over the cereal and stir carefully with a wooden spoon or a rubber spatula
5. Pour the cereal coated mixture into a large plastic bag
6. Add powdered sugar into bag and shake until evenly covered
7. Pour finished snack onto a cookie sheet to cool
8. Enjoy and refrigerate the rest in a closed container
