Sugar Cookie Icing

NIBBLEDISH CONTRIBUTOR

Ingredients

- 1 cup of powdered sugar
- 2 teaspoons of milk
- 2 teaspoons of light corn syrup
- 1/4 almond or vanilla extract
- Any food coloring

Instructions

1. Mix powdered sugar and milk in a small bowl until smooth
2. Add the corn syrup and almond or vanilla extract into mixture
3. Add more corn syrup if icing gets too thick
4. Divide icing into different bowls for usage of different icing colors
5. Follow food coloring instructions on box
6. Use paintbrushes, plastic knives, or rubber spatula to spread on cookies
