

# Soba Garlic Noodles

NIBBLEDISH CONTRIBUTOR

## Ingredients

- 1 bundle of soba noodles (usually come pre-divided)
- 3 big cloves of garlic minced
- 1 tsp sesame oil
- 1/2 tsp extra virgin olive oil
- 1 tsp soy sauce
- 1/2 tsp rice or balsamic vinegar
- couple grinds of black pepper
- 2 pinches of sugar
- bonito flakes
- furikake
- chopped green onion (optional)

## Instructions

Cook noodles to package instructions, set aside. Heat oils, soy sauce, vinegar, sugar, garlic, and pepper over medium heat in a skillet. When garlic becomes super fragrant (about a minute), toss in noodles and coat well.

Plate up and sprinkle noodles with furikake and garnish with bonito shavings. Add green onion for a garden fresh taste.
