NIBBLEDISH CONTRIBUTOR

Ingredients

angel food cake (either homemade or store bought)

1/2 cup fresh raspberries

1/2 cup lemon sorbet

Instructions

This is a very quick and easy dessert. The combination of the light cake and fresh berries make for a refreshing treat!

Cut cake into thick slices and individually plate them.

Place raspberries into a small bowl and gently toss them with the melted sorbet. When coated, spoon the fruit sauce onto each slice of cake.
