Instructions

-
1. Wash the rice for 3 times and drain it well, then add the water, konbu on top and cook it like the way you cook the regular rice for 35minutes.
 2. For vinegar dressing, add all the ingredients in a sauce pan and make it warm to open up all the flavors and transfer it on a small bowl.
 3. For tempura flakes, add all the ingredients mix it well and sprinkle it in a deep fryer to become a tempura flakes then strain it ,put in a paper towels and cool it down.
 4. After 35 minutes take out the rice and transfer it in sushi-oke (wooden mixing tub) cool it down a little bit then add your vinegar dressing , mix it well by using a wooden spatula.
 5. put the rice in a yaki nori sheet, put it upside down then put the tuna together with the jalapenos, and tempura flakes...Roll it up by using a makisu(bamboo rolling matt).
 6. take a tuna, cut the tuna like sushi neta(thin slice (6pcs.) put it on top of the maki and roll it again by using a makisu , then cut it in to 8pcs. and add some tempura flakes for toppings!...
