

radish, english cucumber, red onion salad

NIBBLEDISH CONTRIBUTOR

Ingredients

- radish (5-6)
- english cucumber (2-3")
- red onion (1/3 onion)
- lime juice (1/2 lime)
- honey (1/2 teaspoon)

Instructions

I made this to cool down after making a spicy chicken masala so didn't need very much, but any quantity will do.

thinly slice the radish, cucumber, & red onion, toss with lime juice, honey, & a pinch of salt. Chill while you're making something spicy and serve as a condiment.
