

Breakfast “garden”.

NIBBLEDISH CONTRIBUTOR

Ingredients

- Eggs
- Ham
- Green peppers
- Salt and pepper
- Milk

- Onions
- Strawberries
- Breakfast sausages.

Optional:

- Maple syrup
- Cinnamon

Instructions

My little brother never eats his fruits in his breakfasts... nor does he eat breakfast at all so here's a little "garden" :D. (Kids like to eat things with a story behind it or images for some reason... rofl.)

1. Beat your eggs and add a dash of milk, S&P and ham into the mixture and set

aside.

2. In a pan, lightly fry your onions and green peppers; then when it's ready, pour the egg mixture on top. Mix around until cooked, and set aside.
3. Cook breakfast sausages according to directions.
4. Cut strawberries into fours and spread them in a flower-like formation. Sprinkle some syrup and cinnamon on top.
