3 tbsp Freshly Squeezed Lemon
Sea salt and pepper to taste
Pam spray, butter flavor

Tools:

Oven safe/gratin dish to bake

Instructions

This is always a hit for appetizers, just make sure you warn the guests about the garlic as some are picky about that.

- Preheat oven to 400 degree F
- Clean shrimp by first removing shell. Then with a small sharp knife i.e. paring knife, cut the outer part of the shrimp from top to bottom to devein and butterfly.
- Place cleaned shrimp in a bowl, add wine and olive oil as well as sea salt and

pepper and let sit for 5-10 minutes

- In the meantime, in a separate bowl combine garlic, shallots, parsley, basil, rosemary, lemon zest, lemon, room temperature butter, and egg. Mix together thoroughly
- Take out your oven safe/gratin baking dish. Spray with PAM butter flavor spray
- Arrange the shrimp in the dish so they are all lined up in a single layer
- Spoon over the butter/garlic mix
- At this point you can also add some zesty bread crumbs, panko (japanese dried bread crumbs), or desired cheese
- Bake for 10-25 minutes

Let stand then serve.
