

Badam(Almond) Halwa

NIBBLEDISH CONTRIBUTOR

Ingredients

- 1 cup of Badam
- 1/2 cup of Milk
- 1/2 cup of Ghee
- 1/2 tsp of Saffron
- · 3 cups of Water
- 1 cup of sugar

Instructions

- Boil 2 cups of water and add badam to it. Let it boil for 5 mins. Allow it to cool.
- Peel off the skin by pressing the badam.
- Grind it by adding milk. Add milk little by little so that u get a good paste. It should neither be too watery nor too hard.
- Soak saffron in 1/2 cup of hot water for 10 minutes. You will get a lovely yellow colour.
- Now mix one cup of sugar to 1/2 cup water.
- Add the saffron water to it.
- Allow the mixture to boil. Keep stirring till you get a single thread consistency.
- Now add the badam paste. Keep stirring so that no lumps are formed.
- Add little ghee from time to time. Continue the process(15 to 20 min approx.) till
 the mixture thickens.(At a point of time u will find stirring difficult and everything
 will roll together)
- · Remove from fire.
- Grease a plate with ghee. Transfer the mixture to the plate.
- Spread it neatly
- Allow it to cool for 5 mins.
- · With a knife make the shapes you wish to get.

•	Refrigerate for	or 5	mins.	Just	check	if ur	shapes	are	proper	else	repeat	it wit	h t	he
	knife.													

• Again refrigerate for 20 to 30 mins. Now u can remove the pieces off the plate.

Badam Halwa is ready to serve!!!!
