Bulgogi my way. Enjoy~ (it's untraditional way of preparation, but oh-so-good).

- 
1. With the beef, combine all the marinade mixture and let it set overnight in fridge.
  2. Remove the chunks of ginger, if applicable.
  3. Add the mushrooms and carrots in the mixture and on a grill or pan, stir fry until ready.
  4. Add sesame seeds and serve on top of Korean rice.
