

## Camping- Chocolate/Peanut Butter “Puppy Chow

NIBBLEDISH CONTRIBUTOR

### Ingredients

Makes about 4 ½ cups

#### Ingredients:

4 ½ cups Corn Chex cereal  
½ cup semi-sweet chocolate chips  
¼ cup smooth peanut butter  
2 tbsp butter  
½ tsp vanilla extract  
¾ cup powdered sugar

### Instructions

In a saucepan, over low heat, melt the butter. Then, stir in the chocolate chips and peanut butter until melted and combined. Place cereal in a large bowl and add the mix over the top, toss until all pieces are coated. Place the mix into a zip-lock bag and add powdered sugar, shake well until all pieces are coated. Place on a baking sheet to cool in the refrigerator. When cool, place in an airtight container. I would store it there until you were ready to eat. This won't last long. Maybe make double.
