

Deep Fried French Toast

NIBBLEDISH CONTRIBUTOR

Ingredients

FOR 3

- **6 pieces** of Toast
- **3 large** eggs
- **1 pinch** salt
- **1 pinch** sugar
- **150 ml** milk
- **400 ml** oil for frying

Instructions

Combine eggs, milk, sugar and salt in a bowl. Whisk the mixture.

Dip the bread evenly on both sides in egg mixture. Don't leave the bread in the mixture too long otherwise it will fall apart.

Heat the oil in a roasting pan on medium heat. When the oil is hot, put the bread in the oil and fry it golden brown on both sides.

When done, take it out of the oil and leave it for a minute to flow off extra oil. Serve with sprinkling some salt or sugar on top.
