

## Salad Cups – No fork required!

NIBBLEDISH CONTRIBUTOR

### Ingredients

12 slices of white or wheat bread

3 TBS butter, melted

Your favorite salad

### Instructions

Use a rolling pin to gently roll out each slice a bit (grab a kid...they love this part).

Cut out 2-3 inch rounds with a biscuit or circular cookie cutter. In a pinch use a glass.

Insert one bread round into each section of your cupcake pan, press down on the bread to fit the cup, brush with melted butter. Bake 8-10 minutes at 350 degrees or until crisp and slightly brown.

Cool. When ready to serve fill with your favorite salad tossed in the dressing - I love this with a good Caesar!

Enjoy!!
