

MexiRamen!

NIBBLEDISH CONTRIBUTOR

Ingredients

1 packet Oriental flavor ramen (chicken or shrimp would be nice too)
1/2 cup corn
2 Tbsp chili sauce (Sriracha is really good)
1/2 an avocado
1 Tbsp chopped fresh cilantro
a handful of crushed tortilla chips

Instructions

Method:

Prepare the ramen as the package states, adding the corn and chili sauce to the last minute of cooking time.

Dump into a bowl and top with remaining ingredients.

Stir up and eat that spicy stuff!

This is the best bachelor recipe for anyone that likes it HOT and is tired of boring old ramen :D
