

Grass Jelly Drink

NIBBLEDISH CONTRIBUTOR

Ingredients

- Grass jelly
- 7 cups of ready to drink water
- 2 cups of water to boil
- Honey rock sugar or just rock sugar
- Ice cubes

Instructions

Anyone can do this, most of the ingredients are ready made, all you need to do is ur pair of hands and work it out!

- Stir the rock sugar into the boiled water until melt
- Add in the cold water and grass jelly, mix well
- Add in ice cubes and ready to serve
- * you can serve it warm or cold *
