

Spicy Dry Rub

NIBBLEDISH CONTRIBUTOR

Ingredients

2 tbs chili powder
3 tbs granulated garlic
1/2 tsp dried parsley flakes
3 tbs spicy steak seasoning (or creole seasoning)
3 tbs seasoning salt
1 tsp dried chives
1 tsp dried Mexican oregano

Instructions

I realize this is not my usual kind of recipe, but I made it for the man for a steak rub, and now I've been using it in everything! You can make this in large or small quantities.

Combine all spices in a container and mix thoroughly. Use on meats, tofu, or as a seasoning salt! It's delicious!
