

# A Loada Bean Pie

NIBBLEDISH CONTRIBUTOR

## Ingredients

Serves 3-4:

200g each of any kind of beans you want (I used cannellini, adzuki and flageolet beans - I think!)

1 small red onion

4-5 tbsp creme fraiche

1 slice granary bread, blended into crumbs

Small handful of grated cheese (well, as much as you like really, I can't have a lot of dairy!)

Thyme

## Instructions

- 1) Heat oven to 190 degrees C. Wash and drain all beans.
- 2) Fry the onion and all the beans, but don't let the pan get too hot.
- 3) Stir in the creme fraiche and heat through.
- 4) Pour your bean mixture into a pie dish.
- 5) Mix the breadcrumbs, cheese and thyme and layer on top of your pie.
- 6) Put in the oven until the top is lovely and golden.
- 7) Nice with a fresh side salad.
