

Oxtail Stew

NIBBLEDISH CONTRIBUTOR

Ingredients

- 12 ounces dried lima beans
- 4 pounds oxtails
- 2 large Vidalia onions, chopped
- 3 scallions, chopped
- 4 garlic cloves, smashed
- 1 bunch fresh thyme
- 2 tablespoons red pepper flakes
- 4 teaspoons hot paprika
- 2 bay leaves
- 2 tablespoons hot sauce
- 4 tablespoons gravy master
- 6 cups low-sodium beef broth
- 4 teaspoons tomato paste
- 2 tablespoons salt
- Rice

Instructions

In a large bowl, cover lima beans with water, cover with a towel and soak overnight.

1. In a large pot, add oxtails, onions, scallions, garlic, thyme, red pepper, paprika, bay leaf, hot sauce, and gravy master and marinate at least 4 hours or overnight in the refrigerator, stirring occasionally.

2. Add enough water to just cover the oxtails and bring the mixture to a boil. Lower to a simmer, cover and cook 2 hours. Every 30 minutes for 2 hours add 2 cups of water or broth, alternating, as necessary, to keep oxtails covered with liquid.

3. At 2 hours, add the beans, tomato paste, and 2 more cups of beef broth and water, if needed. Bring to a boil then simmer uncovered 2 hours, skimming fat off top and stirring occasionally. In the last 1/2 hour of cook time, season with 2 tablespoons salt. Serve with rice.
