

# gluten free waffles

NIBBLEDISH CONTRIBUTOR

## Ingredients

2 1/2 cups almond flour 1/2 tsp baking soda 1/4 tsp salt 3 TBS flax ground  
1/2 cup grated carrot  
3 eggs 2 tsp vanilla 1 TBS almond milk 1/4 cup coconut oil melted 1/4 cup honey 1/2 cup  
blueberries (mash or process)

## Instructions

Really easy! 1. Combine all of the dry ingredients - add carrots last

2. Mix all wet ingredients excluding warm coconut oil.

3. Add warm coconut oil last.

4. Use a wooden spoon to scoop into a waffle iron, the coconut oil in the batter will become highly fragrant as the waffles brown.

That's it!
